## DAV and the DAV Auxiliary INFORMATION ALERT

On November 2, 2017, President Trump signed Public Law 115-75, which provides a cost-of-living adjustment (COLA) increase of 2 percent, effective December 1, 2017, for veterans disability compensation and dependency and indemnity compensation (DIC) for survivors and certain other benefits. This increase matches the COLA provided to Social Security recipients.

This COLA benefits injured and ill veterans, their families and survivors by helping to maintain the value of VA benefits against inflation. Without annual COLAs, many disabled veterans, who sacrificed their own health and family life for the good of our nation, may not be able to maintain the quality of life they deserve.

We thank Representative Mike Bost (IL), Chairman of the House Veterans' Affairs Subcommittee on Disability Assistance and Memorial Affairs for introducing H.R. 1329- the *Veterans' Compensation Cost-of-Living Adjustment Act of 2017*, and Congress for final passage of the bill on October 25, 2017.

Likewise, we appreciate your support for service-disabled veterans and your grassroots efforts in the DAV Commander's Action Network, which helped get this critical legislation enacted. Please share this information on all of your social media sites. Thank you for all you do for America's veterans and their families.

This alert is for your information only. No further action is required at this time.
